

Teacher Feedback Form

Your teachers really know how you perform in a daily academic setting. This information will greatly help your counselor in writing a composite school recommendation. Ask a teacher who WILL NOT be writing a formal college recommendation for you if s/he would be willing to complete and return this directly to the Direction Center.

Please write some informal comments about your impression of me in your class and return directly to the Direction Center.

I plan to apply to the following colleges:

College Name and Address:	Application Deadline

Right now, I intend to study:

Thank you for your help.

NOTE TO TEACHERS:

*Your impressions will help me craft a more accurate, realistic letter for this student. In which class did you have this student? Please include any specific evidence of intellectual promise, academic achievement (written work or class discussions), motivation, maturity, integrity, leadership potential, special talents or other insight you may have. Parts of your comments may be included in my composite school recommendation. Thanks in advance for your prompt attention. **Jane Krasnow and Julie Dimmock***
